All survey responses will be compiled and used by the Bay County Elder Abuse Coordinated Community Response (CCR) Team. They will use the data from them to decide what services are needed by older victims of abuse. This same group will work to create and/or enhance services in Bay County to help older victims of abuse gain their safety and independence.

The team is composed of people law enforcement, the prosecutor's office and human service agencies from Bay County.

Please contact the Division on Aging Office at (989) 895-4100 if you would like a group presentation or more information.
