

- > Is it Allergies, a Cold, or Sinusitis?
- > Is your nose always congested, making it hard to breathe?
- > Does your face, head, and even your teeth hurt from the pressure?
- > Are you losing your sense of smell and taste?
- > Are you incredibly tired and irritable?

## Sinus Sufferers RELIEF is Here

Are you tired of dealing with sinus problems? If so, you'll want to attend this **free** seminar. Scott Baker, MD, will talk about a minimally invasive treatment called **Balloon Sinuplasty™** that can offer long-term relief to chronic sinusitis.

**Wednesday, April 23, 2014**

**6:30-7:30 p.m.**

Lincoln Center  
820 S. Lincoln St., Bay City  
*Refreshments Provided*

Scott Baker, MD  
Otolaryngologist
