Adjourn

4-H Veterinary Science Teen & Adult Volunteer Workshop
Workshop 808

February 25–26, 2011 – Kettunen Center

Explore animal systems and learn about animal health for a broad array of animal species by sharing information and experiences, asking questions and quizzing veterinarians about their skills. You can also participate in hands-on demonstrations that teach you how to help young people recognize healthy, sick or injured animals. Meet others who have developed outstanding veterinary science projects and gain ideas to help other young people start their own vet science projects. Open to adult and teen volunteers aged 13 and older.

4-H Beef, Sheep & Swine Teen & Adult Volunteer Workshop
Workshop 809

February 26–27, 2011 – Kettunen Center

If you're interested in 4-H beef cattle, sheep or swine projects, this workshop is for you. You'll learn about animal health, management, care and nutrition. In addition, you can sharpen your livestock judging and evaluation skills. By sharing ideas and interacting with others, you'll find ways to improve your county 4-H livestock program. The workshop will also offer ways to enhance your communications and teaching skills, and learn about the many opportunities available for those interested in the beef, sheep and swine industries. Open to adult and teen volunteers aged 13 and up.

Dear Friend of 4-H:

The Bay County 4-H Livestock Association will be hosting their 6th annual Spaghetti Dinner on February 17, 2011. In order to make this event a success, the committee is seeking donations for various supplies. Any donation would help our event greatly! All proceeds will benefit the Bay County 4-H Livestock Association.

The Livestock Association helps youth to explore their interest through fun, engaging, hands-on learning experiences. This gives the youth an opportunity to work together, gain excellent knowledge and make friends as well as memories that will last a lifetime.

Thank you for considering this tax deductible donation to the Bay County 4-H Livestock Association. If you have any questions, please feel free to contact MSU Extension-Bay county at (989) 895-4026.

Sincerely,

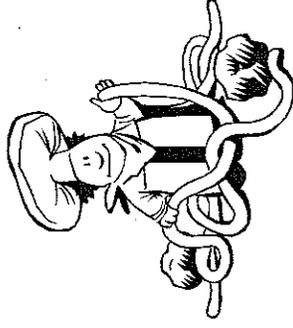

Jodi Schulz
4-H Extension Educator
