

NOTICE

There is a job vacancy in the **BAY COUNTY HEALTH DEPARTMENT – Interdisciplinary Primary Care Clinic**

JOB TITLE: Public Health Nurse (Part-time)
RATE OF PAY: B.S.N.: \$22.28/hour - \$26.15/hour (4 year range)
 R.N.: \$22.11/hour - \$25.44/hour (4 year range)

This is a part-time position (up to 24 hours per week) with limited benefits as provided for within the Bay County Public Health Registered Nurses' Organization, although union membership is voluntary.

GENERAL SUMMARY:

Provides a wide range of nursing services with emphasis on health promotion, health education, health maintenance and consistent with Health Department nursing standards and procedures. The Registered Nurse (RN) will be a key member of an inter-professional team that includes nurse practitioners, occupational therapy, social work, pharmacy, and health administration and leadership. He/she will work with the faculty, students, and providers from each of these disciplines in providing primary care to patients from a team-based approach. He/she will maintain documentation and reports according to agency and program policies. Participates in various in-house, professional, and community based committees, attends workshops, seminars, and in-house training. Supervision received: Works under the Business Services Manager, also receives direction from Nurse Practitioners.

ESSENTIAL JOB DUTIES:

1. Conducts health assessments in the clinic, including obtaining blood pressure, temperature, measurements, and other data and developmental information for the client's health & diet history, and family health status. Administers immunizations and medications, educating client on potential side effects, and monitors for adverse reaction. Reads and interprets lab reports, and performs a variety of related procedures in clinics.
2. Participation in daily "huddles" to plan the team approach. The RN will be the one individual who has continuity across all of the clinic days.
3. Performs documentation within the Electronic Health Records.
4. Prepares room for patient (example: set out supplies that might be needed for a pap smear, skin biopsy, etc.) before and following patient encounter.
5. Administer treatments/procedures under direction and supervision of Nurse Practitioners.
6. Following policies and procedures of appropriate programs and clinics. Assists in development of policies/procedures as needed.
7. May obtain and process specimens-- examples: clean catch urine, throat culture, nasal swabs for flu, stool specimen, wound culture, finger stick blood sugar.
8. Performs patient education and call-backs to patients.
9. Coordinates and collaborates with all members of the team to facilitate this inter professional approach. Contributes to continuity of care by planning and exchanging information with other disciplines, physicians, hospitals and other appropriate health and social agencies, as necessary.
10. Punctual and consistent attendance is required in this position.
11. In times of a public health emergency, may be required to report for specialized assigned duties inside or outside of Bay County. Perform emergency response roles, as required.
12. All other duties as assigned.

The above statements are intended to describe the general nature and level of work being performed by people assigned this classification. They are not to be construed as an exhaustive list of all job duties performed by personnel so classified.

MINIMUM QUALIFICATIONS:

Licensure: Possession of a current license to practice Professional nursing in Michigan. Also must possess a Michigan driver's license and have proof of current automobile insurance.

Education: A.D.N., B.S.N. or diploma from a school of nursing approved by the N.L.N. of Nursing.

Experience: One year of hospital, clinic or public health nursing experience desired. Prefer experience working with all age groups, experience with Veterans and those with mental health needs and the ability to communicate with individuals from diverse social, economic, and cultural backgrounds. Computer skills required. Applicants may be required to take written and/or other examinations.

Physical: This position requires sitting, being mobile, bending and/or standing for significant periods of time. Additional requirements include the ability to move objects according to the following weight and frequency: Generally, 20-50 pounds of force up to one third of the time. Candidate must possess physical dexterity to perform medical procedures related to job. Candidate must have adequate visual acuity and hearing comprehension to read reports and communicate with clients and other providers and have adequate physical dexterity for the demands of the job.

APPLICATION PROCEDURE: Apply online at www.baycounty-mi.gov or in person/via US mail to the Bay County Personnel Department, 515 Center Avenue, Bay City, Michigan, 48708. Application Deadline: **4:00 p.m. Wednesday, October 18, 2017.**
