Fall Viewing Walk

Come and enjoy a leisurely walk at the Bay City State Recreation Area. Our very own Sandy Jozwiak will guide us through the beautiful wetlands concentrating on color and bird migration. The walk will be approximately 1 hour of casual walking, viewing and talking. Prior to the walk we will view a movie/feature on bird migration. Lunch will be delivered on site in a pavilion at the park.

We will meet at the park. Wear comfortable shoes and proper clothes based on the weather.
