

Aging Well Series
Presented by: Bay City Electric

Energy Conservation

Everyone wants to know how they can conserve on the that monthly bill. Bay City Electric will speak on energy conservation, outages and why some locations go down and some don't. The importance of different light bulbs and a demonstration with the Energy Bike. A custom bike that tells how much energy it takes to power certain lights and other appliances. Bring your questions. Limited seating. Special Goodie Bag for attending. *Reservations due by Tuesday, March 14, 2017*

Location: Hampton Activity Center, 801 W. Center Ave. Essexville
