

In The Know Awareness—Winter and Fire Safety

presented by: East Central Bay Chapter of the American Red Cross

Do you have an emergency kit ready, in case of need, in your car and home? Have you changed the batteries in your smoke and carbon monoxide detectors lately? Did you know smoke detectors should be replaced every 10 years—even if they seem to still work? This is valuable information that could prevent a horrible situation. Come with your questions and stick around for lunch. Q & A to follow.
