To Parent/Guardian or referring agency:

Your youth is a current resident at our facility. Attached are a few policies that are required to be shared with you.

Medical Consent: The BCJH contracts a registered nurse and doctor to review resident medications and to handle minor medical issues. The BCJH is required to provide a physical within 7 days of placement unless there is a copy of a physical provided that had been completed in the last 10 months. The youth can request to see the nurse during medical clinic times. Please the medical consent form online so that we may attend to your youth's immediate medical needs. The nurse will contact the legal parent/guardian on file to discuss any changes in health status. If for any reason your youth needs to be transported to urgent care or the hospital you will be contacted as soon as possible.

Prescriptions: The staff understand that transportation to the BCJH may not always be convenient or possible. The BCJH utilizes Layerer's Pharmacy. You may choose to have refills transferred to Healthlink and let them know that the prescriptions need to be delivered to the Bay County Juvenile Home. You will need to provide insurance information and pay any co-pays.

Healthlink Pharmacy 322 Garfield Avenue Bay City, MI 48708 989-391-9068

Immunizations: Immunization Clinic is the first Thursday of each month or as scheduled by the Health Department. The Bay County Health Department administers the immunizations at <u>no cost</u>. The registered nurse refers to the Official State of Michigan Immunization Record for each youth to determine the eligibility for immunizations. Immunizations available are Tdap, Hib, Polio, MMR, Hep B, Vericiella, Hep A, Flu, Pneumococcal Conjugate, Meningococcal Conjugate and HPV. Some of these vaccinations are a series. If the youth refuses the immunization we do not force the youth to receive them. The Health Department requires a consent form to be completed. Please see immunization consent form on the website. The BCJH is required to offer these immunizations for youth who remain in the facility after 29 days. If you have an up to date immunization record please fax or email to the BCJH. Fax # 989-892-4419 or email <u>juvhome@baycounty.net</u>. You may also give a copy of the record to the Probation Officer or DHHS caseworker to forward to the facility.

Dental: Dental services are provided by the My Dental Community Center went appointments are available. Please complete the dental consent form on the website. If there are costs there will be no services completed unless the cost is approved by the legal parent/guardian or referring agency.

Thank you,

WELCOME TO MCDC

We are honored you have made an appointment with us for yourself, your child, or a person in your care, and for allowing us to provide your dental care. Our goal is to provide quality services and continually strive to improve our patients' experiences. You may receive a phone call from Press Ganey which is an outside survey company that we have partnered with to receive your valuable input.

APPOINTMENT REMINDER

MCDC provides a courtesy reminder for reserved appointments approximately one week prior to the appointment, as well as 1-2 days in advance. Appointment reminders may be sent by voice message, text message, or email. If you have any questions about these notifications, please call the center directly. We may require a confirmation response from you that you will be in attendance for your reserved appointment. If we do not receive a confirmation of your appointment, or we are unable to reach you, your appointment may be cancelled. Please be sure that the contact information we have on file for you is current and accurate at all times to avoid missing your courtesy reminder. If we are unable to reach you, your appointment may be cancelled.

BROKEN APPOINTMENT/CANCELLATION POLICY

Regular dental visits every 6 months, including examinations, cleanings, fluoride treatments, dental sealants, and fillings are important to keep teeth healthy. It is especially important that you keep your appointment! Valuable time has been reserved for you, or your child's care. A missed appointment results in lost time which could be used for another patient waiting to receive treatment.

If you fail to show for a reserved appointment, any appointments you have scheduled will be cancelled. We require 24 hour notice when canceling or rescheduling an appointment that has been reserved for you. Any combination of failing to give adequate cancellation notice, or not showing up for an appointment, may result in **DISMISSAL** from all MCDC center locations.

EMERGENCY CARE

Patients who have been dismissed from the center for either broken appointments, or cancellation reasons, will be notified by certified letter and will be seen for EMERGENCY care only for 30 days from the date of the dismissal letter.

MINOR PATIENT APPOINTMENTS

MCDC providers are required to discuss and obtain permission BEFORE providing treatment to all minor patients. (Children under the age of 18) An adult MUST be present in the center throughout the duration of the child's appointment. IF a parent is unable to bring the child to the appointment, there is a consent form that can be signed to authorize another adult permission to approve treatment plan procedures. Please request this form in advance of the reserved appointment.

HOME CARE

It is important to maintain regular 6 month checkup appointments, as well as maintain excellent home care and proper diet. If you **do not** keep on a regular 6 month schedule, maintain excellent home care and proper diet, MCDC **cannot** be held responsible if restorative care fails. Failure of the restoration due to neglect of oral hygiene and a high sugar/high carbohydrate diet is the responsibility of the patient and not the dentist. Failure of any restoration within a two year time period, and the required follow up repair or extraction will be at the patient's expense. I understand and consent to having restorations completed with these guidelines.

SMOKE FREE CAMPUS

In order to maintain a safe and healthy work environment, MCDC is a smoke free campus. This means that employees, patients, and vendors are prohibited from smoking on the grounds or within sight of any MCDC building. Smoking is defined as the "act of lighting, smoking, or carrying a lighted or smoldering cigar, cigarette, ecigarette, or pipe of any kind".

BEHAVIOR

Seeking and receiving medical care can be stressful and anxiety provoking. For the sake of all individuals involved, civil behavior with proper respect, courtesy and manners must be maintained and observed. There is also a zero tolerance for alcohol, drugs, smoking, or weapons on MCDC property. Individuals who use foul language, display threatening or violent behavior, or do not comply with our zero tolerance policy, will be immediately dismissed from all MCDC centers. In an effort to better serve you, cell phone use is not allowed beyond the reception area.

NOTICE OF PRIVACY

MCDC respects my right to privacy and confidentiality of my personal health information. I acknowledge that I have been informed of and offered a copy of the Notice of Privacy Practices.

CONSENT TO TREATMENT

I have read the above policy and agree to abide by it. I HEREBY GIVE CONSENT TO My Community Dental Centers to provide treatment to:
procedures and treatments, including local anesthesia, which are deemed necessary. I consent to any x-ray, examination, anesthetic, sedative, or dental treatment rendered under the general, direct or indirect supervision of the dentist and his/her associates and/or staff members, as he/she may deem necessary. Information about your appointment may be shared with your medical provider. This authorization will remain in effect until canceled in writing by me.
